

Attorney Docket 016887-1099

IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

Applicant: Osamu TAKAGI et al.

Title: FIXING DEVICE USING INDUCTION HEATING AND METHOD FOR PRODUCING SAME

Appl. No.: 10/684,493

Filing Date: 10/15/2003

Examiner: P. Leung

Art Unit: 3742

REQUEST FOR WITHDRAWAL OF SUSPENSION OF ACTION

Mail Stop RCE

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

A Request of Suspension of Action was requested in a Request for Continued Prosecution (RCE) Transmittal filed on August 23, 2005, in the above-identified application. In view of the concurrently filed Supplemental Submission Under 37 C.F.R. § 1.114(c), Applicants request withdrawal of the three month suspension of action.

It should be noted that the Office Action dated September 27, 2005 was premature since the requested three month suspension (in the RCE) extended to November 23, 2005. Accordingly, the PTO is requested to withdraw the Office Action dated September 27, 2005.

Should additional fees be necessary in connection with the filing of this paper, or if a petition for extension of time is required for timely acceptance of same, the Commissioner is hereby authorized to charge deposit account No. 19-0741 for any such fees; and applicants hereby petition for any needed extension of time.

Respectfully submitted,

Date November 17, 2005
